## HONORING Michelle Volpe

President, The Property & Casualty Initiative  
Recipient of the Nolan Leadership Award

**Michelle Volpe** leads The Property and Casualty Initiative (PCI) as the President of the \$85 million investment fund that mobilizes capital from member Property & Casualty insurance companies to fuel transformative community development across Massachusetts. Since its inception in 1999, PCI has delivered over \$550 million in financing through more than 300 flexible, community-focused loans, driving affordable housing, uplifting minority- and women-owned businesses, sparking economic development, and strengthening critical organizations that form the backbone of vibrant, growing communities throughout the state.

Michelle joined PCI in 2022, bringing more than three decades of experience as a bold advocate for equitable access to capital and inclusive economic growth. Prior to PCI, she spent twenty-seven years at BlueHub Capital, where she most recently served as President of the BlueHub Loan Fund from 2011-2022. There, she helped double lending activity, expanded lending across 23 states, with a sustained record of strong portfolio performance – while channeling funding into affordable housing, education, youth services, health care, and healthy food access in under-resourced neighborhoods. *Read Michelle's full bio [here](#).*
